When I look back on the last year as Chair of the Board of the Jewish Federation of Greater Phoenix, one of the key words that comes to mind is community. I have called the Greater Phoenix community home for many years and have been an active member of its Jewish community for almost all of that time. It’s a community that has made Phoenix home, and I have come to appreciate more fully how the depth of our tradition and its commitment to community enriches my life and the lives of so many.

Over the years I have been privileged to see its significant growth, both in the breadth of Jewish offerings and services and in the numbers of incredible people who work hard to secure them.

I am proud to be part of this community, especially in the wake of the Covid-19 pandemic. We continue to rally together to make real the words, *Kol Yisrael Arevim Zeh Bazeh*, all of Israel are responsible for one another.

Through fully-committed blood drives to volunteers donating food for the resident food pantry at Kivel Campus of Care to close to $90,000 of emergency financial support distributed to date to local Jewish organizations, our community commitment is strong. Additionally, as the pandemic continues, we also continue to convene these groups to share and learn about the greatest needs and how to address them together.

Our Jewish Federation of Greater Phoenix will turn 80 years old in 2021. While the words have changed over time, the mission has essentially remained the same. To create and sustain a vibrant Jewish community while providing for Jews in need. We actualize this timeless mission through engaging the next generation, enriching senior lives, helping the vulnerable, wherever they reside, and by sending missions to Israel, which you’ll see highlighted in this report.

As I write this, Phoenix has 16 young philanthropists participating in JFNA’s National Young Leadership Cabinet, which for a community of our size is an outstanding achievement. They are the intelligent, innovative, upcoming leaders of this Jewish community and our future is looking very bright!

Whether you’re new to our Federation community or have been part of it for many years, we hope this report inspires you to remain committed to supporting our important work.

Thank you for making all of this possible.

Sincerely,

Howard R. Cabot
Chair of the Board
A Thank You to Our

PARTNERS & DONORS

Without the collective efforts of our donors and partners, much of the Jewish Federation of Greater Phoenix’s community engagement would not be possible. The contributors listed in this annual report and in our honor roll provide us with the resources to support Jewish culture and Jewish identity in Phoenix, in Israel, and around the world. For this, we are exceedingly grateful. Their generosity touches and enriches Jewish lives every day and makes the Federation’s work all the more meaningful. We’d also like to extend our gratitude to the Federation’s lay leadership for their continued passion for strengthening our Jewish community.

Thank you!

ENLIGHTENMENT IN
ISRAEL

Federation’s multiple Israel missions in 2019 enabled more than 30 people to visit the holy land, and for many it was a first-time visit. From a men’s Interfaith group to a women’s MOMentum group to a young men’s group, spending time in Israel gave the participants an up-close view of our work there, and provided time for each participant to personally connect with the land and the people.

In eight short days, participants enjoyed meeting with Israeli residents and organizations, touring cities including Jerusalem and Tel Aviv, speaking to diplomats about the Israeli/American relationship, discussing Jewish traditions and customs with rabbis and religious leaders, and even visiting areas of political dispute and learning from experts on the complexities of the Israeli/Palestinian conflict.

“One of the best parts about this trip was hearing from local experts, each with varying perspectives and areas of focus.”
Mark Khazanovich, Trip Participant

MEN’S TRIP HIGHLIGHTS

MOMENTUM

Momentum seeks to inspire women to transform themselves, transform their families, their communities, and the world. The flagship program, the MOMentum Year-Long Journey, beginning with an eight-day trip to Israel, empowers women to connect to Jewish values, engage with Israel, take action, and foster unity, without uniformity.

“Last November, the Jewish Federation of Phoenix gave me the opportunity to join 13 other women from Phoenix on what I would describe as a trip of a lifetime to Israel. The trip was one of the most meaningful and inspiring experiences that I have ever had.

Momentum was 10 days filled with so many amazing experiences and overwhelming feelings shared with my Phoenix sisters and women from across the globe. We laughed, we cried, we connected with each other emotionally, and spiritually and built bonds that will last forever. I came home a more enriched person with a connection I never had before and a greater understanding as to what it means to be a Jew and a Jewish mother.

Almost a year later, I still can’t stop telling friends and family members about Momentum.”

Natalie Stern, November 2019 Momentum Participant
A TASTE OF JEWISH LIFE IN CUBA

We have a responsibility of supporting Jewish communities in Phoenix, the United States, in Israel, and around the world. In honor of this mission, in November of 2019, the Jewish Federation of Greater Phoenix ventured to Havana, Cuba, a trip organized by the American Joint Distribution Committee, where participants got a taste of Jewish life in Havana.

Participants attended a Shabbat dinner and service at El Patronato, a young adult-led Jewish synagogue in Cuba. The trip also extended past Jewish culture, and included tours of Cuban cigar factories, rum distilleries, and local establishments and museums. Perhaps the most meaningful part of the trip was the visit to Cementerio de la Union Hebrea Chevet Ahim, a Holocaust memorial and Jewish Sephardic cemetery.

“We’ve always supported the Federation, and I was very impressed to see their efforts first hand. The work that the Federation and the JDC does is extremely important, and these communities would perish without it.”

Gary Weiss, Trip Participant

“We had such a great time in Cuba and it truly was like no other place we have ever been. What struck me most were the people and their friendly and welcoming attitudes... I hope more members of our Jewish community can continue to travel to Cuba, see the close knit Jewish community and provide needed support.”

Bryan Kort, Trip Participant
More than 120 young leaders from around the country participated in JFNA’s Young Leadership Cabinet mission to Mexico City, gaining exposure and insight into Jewish life in the region.

“Having the opportunity to visit Mexico City with the Young Leadership Cabinet was truly an amazing experience. Not only did it help me form stronger bonds and relationships with my peers but also exposed me to a different culture and brought me closer to my Jewish brothers and sisters from another country. It taught me that no matter where in the world, we are one people sharing the same values and heritage, no matter what the flavor.”

Adam Finkel, Trip Participant
FORMING JEWISH BONDS IN

SAN FRANCISCO

A men’s reunion trip brought mission participants to San Francisco where they visited Google Headquarters, met with local Jewish business leaders and enjoyed time further bonding and joining together to strengthen our Phoenix Jewish community.
JFNA YOUNG LEADERSHIP CABINET

Jewish Federation of North America's Young Leadership Cabinet embodies Federation’s central values. Cabinet educates and connects the next generation of global Jewish leaders and philanthropists, and by doing so, encourages new and active engagement in strengthening Jewish communities at home and around the world. Cabinet comprises a diverse group of Jewish leaders who are dedicated to continuous learning, activism, and philanthropy. We are inspired by their work and grateful for their extraordinary commitment.

Today, we are proud that Phoenix has a record number of 16 Cabinet members.
JEWISH FEDERATION OF GREATER PHOENIX
ANNUAL REPORT

JFNA YOUNG LEADERSHIP CABINET SPOTLIGHT:

Rachel Hoffer

Around ten years ago I learned about National Young Leadership (NYL) Cabinet, and it immediately piqued my interest. At that time, I was not aware of the life changing experience I was entering into, and how instrumental the people I would meet were going to be in my life. I can say without hesitation this was one of the best decisions I have ever made. Over the past five years I have had the unique opportunity to meet other philanthropists throughout North America who share my passion for community, assisting our most vulnerable, and developing leadership skills. I have traveled to numerous countries and seen firsthand the work that Federation and their partner agencies do. I have become a true ambassador for all of the individuals I meet.

In November of 2018, I had the incredible honor of being named Co-Chair of National Young Leadership Cabinet and the past 18 months have been transformative. Along with my Co-Chair Adam Miller, of Orange County, an Executive team of 14, and incredible professional staff, we began our work to ultimately strengthen the global Jewish Community.

We began in Toronto welcoming 240 cabinet members where I shared my personal story of growing up as the daughter of a JCC executive, my experience as a Federation recipient—which afforded me opportunities like Jewish day school, Camp Ramah, and a summer Israel program—and my own parents’ generosity, kindness, and devotion to community. All of these components were instrumental in shaping who I am today. We gained incredible insight hearing from others as well. We learned about life in Paris with antisemitism, the hurricane in Houston, life after the shooting in Pittsburgh at the Tree of Life synagogue, and—from Dr. Deborah Lipstadt—not sitting silently and the need to stand up against all forms of hatred. We were inspired by the Koschitzky family, as we learned about their devotion to community both locally and globally. The impact of social action and its effect on the greater community was highlighted and by the end of the week we raised close to $2.8 million for Federation communities throughout North America, including Phoenix.

After an inspirational week in Toronto, Adam and I headed to Argentina and Uruguay where we joined over 100 lay leaders and staff development directors to learn about Federation’s imprint on South America. To find myself in the same room with so many change-makers embodying compassion, passion, generosity, and drive to make a difference was an absolute honor. Close to $4 million dollars was raised to care for the most vulnerable in our communities, Israel, and globally as well as strengthen communities to secure a vibrant Jewish future. Someone on the mission so poignantly said, “What the eye can’t see, the heart can’t feel.” I feel so fortunate that I have the opportunity and responsibility to be an ambassador and share the reality of so many of these people.

At the start of our year we were challenged by Eric Fingerhut, CEO of JFNA, to dream big and, along with Rabbi David Kessel and Shayna Kreisler (our partners and NYL professionals), we did just that. We imagined a growing leadership pipeline, Cabinet at the forefront of advocacy and social action, a leadership path within local communities, and alumni engagement. With the continued support and guidance of JFNA officers and building off of all the work that came before us, we continued to move forward to create positive momentum.
We began our U.S. ‘road tour,’ visiting communities building off of these cornerstone ideas. I had the opportunity to share my own story, meet with countless individuals, provide development training, and connect with other leaders. With each visit, I became more deeply connected to our mission and grateful for having these shared experiences with so many others.

In January, I joined over 120 of my Cabinet members (Chevre) in Mexico City where we learned about a vibrant Jewish community. My travels continued to California, New York, Dallas, and Miami in the beginning of 2020 as I continued to share with, and learn from, so many individuals. As our study mission to Tallinn, Riga, and Paris approached in March, we questioned whether we would be able to travel internationally. Who could have imagined that a global health crisis would change everything?

While this was certainly not what I expected for the second half of my term, we quickly pivoted in March and created the Cabinet Online Experience. Over the past few months we have hosted over 22 Zoom calls for current members and alumni, reaching over 1000 participants. Whether it be a session discussing ethical wills, a private Q & A with actor Jesse Eisenberg and director Jonathan Jakubowicz of the film Resistance, or many other topics, we became engaged, leaned in, and further connected with one another. We created a season of service: collecting PPE supplies, coaching communities on the Coronavirus stimulus package, connecting with the most needy, delivering meals to first responders, and raising emergency funds. Today is my last official day as Co-Chair and this experience has provided me with opportunities I never thought possible. I have met some of my closest friends, engaged with incredible philanthropists and leaders throughout the world, worked with top notch JFNA professionals, experienced programming led by our partner agency professionals (The Jewish Agency, JDC and World Ort), met numerous recipients that are thriving because of our Federation work, and developed leadership skills that I hope to utilize in the future.

I am incredibly grateful for all of these experiences...to my family, who are my true champions and continue to so selflessly support and encourage me, and to my peers, who have inspired me through their dedication, compassion, vision, and values. I can’t wait to see what next year brings and am very excited to return home to Arizona and partner with so many other young leaders and professionals and strengthen our Jewish community.

“I have met some of my closest friends, engaged with incredible philanthropists and leaders throughout the world.”

WOMEN’S PHILANTHROPY

This year, we included our women donors in the Financial Resource Development Giving roll. These women contributed in their own name and connect through our traditions of tikkun olam (repairing the world) and tzedakah (doing justice). Each woman’s gift recognizes that Kol Yisrael Arevim Zeh L’Zeh – all Jews are responsible for each other and for the world in which we live.

These are the giving societies of Women’s Philanthropy:

LION OF JUDAH SOCIETY
$5,000+
Symbolizing the strength of Jewish women, this national giving society is 17,000 women strong. With a financial commitment of $5,000 or more to the Jewish Federation of Greater Phoenix, our Lions are shining examples of caring for those in need and building a vibrant Jewish community. They are honored at recognition events and the national Lion of Judah Conference.

POMEGRANATE SOCIETY
$1,800-4,999
This national recognition society encourages and recognizes women who support Federation at the $1,800 giving level. Its significance stems from Jewish tradition of the pomegranate with 613 seeds, one for each of the mitzvot or commandments found in the Torah. Each Pomegranate provides strength, compassion and inspiration for our community.

PEARL SOCIETY
$180-1,799
Pearl women contribute a minimum of $180 to the Federation, strengthening Jewish life and identity while providing for Jewish in need locally, in Israel and worldwide. They, like a pearl, will grow in strength and luster for our community.

Reigniting our Jewish community, one woman at a time at this year’s IGNITE! Women’s Philanthropy event

PERPETUAL ANNUAL CAMPAIGN ENDOWMENT (PACE)

A Perpetual Annual Campaign Endowment (PACE) is a permanent fund dedicated to endowing an Annual Campaign gift to the Jewish community. A PACE fund is a lasting legacy that will continue to make an Annual Campaign gift in perpetuity on our behalf.

LION OF JUDAH ENDOWMENT (LOJE)

The Lion of Judah Endowment (LOJE) is a key part of the Lion of Judah program. Through LOJE, Jewish women strengthen the Jewish community by providing funds to meet needs at home, in Israel and around the world. By endowing her gift, a lion ensures that her support for the work of Federation continues even after she is gone.

For more information about these endowment opportunities, please contact endowment@jewishphoenix.org
PJ Library, a program of the Harold Grinspoon Foundation, along with the Jewish Federation of Greater Phoenix and Martin Pear JCC in the Valley of the Sun, is turning 10 this year! PJ Library provides free, Jewish-themed books to Jewish children across the Valley and over the past 10 years has delivered more than 150,000 books!

The mission of PJ Library is to enrich the lives of young children and to expand their education through the Judaic value of “l’dor v’dor:” from generation to generation. PJ Library takes great pride in their influence on future Jewish leaders.

PJ TURNS 10!

OVER THE PAST YEAR, PJ HAS:

- Created the PJ Our Way Tween Council, made up of 12 Jewish tweens who create and run tween programming.
- Welcomed a total of 710 subscriptions to PJ Our Way, a special book exchange for 8-13 year olds.
- Had a Jewish community leader read a PJ Library book on social media every Shabbat for the “Who Are the People in Your Neighborhood?” program.
- Hosted a Family Hanukkah Dance Party for more than 250 kids.

*20% OF ANNUAL CAMPAIGN FUNDS ALLOCATED TO OUR OVERSEAS PARTNERS AND THEIR PROGRAMS
As this year comes to a close and we enter 2021, the 80th anniversary of Jewish Federation of Greater Phoenix, we thank each of you for your on-going support. Next year will be a pivotal year in our agency’s history as we look to emerge from this unprecedented time steadfastly committed to Tikkun Olam and providing opportunities that further strengthen our Jewish community.

Thank you for being part of our journey.

Celebrating 80 years of impacts in our Jewish community
